

Proudly serving Canadian investors

Your AI-Powered Financial Advisor

Smart insights for Mutual Funds & ETFs. Make data-driven investment decisions with AI that understands the Canadian market.

Try FinWise →

Our Product

Harness the power of AI to navigate Canada's mutual fund and ETF landscape with confidence.

AI Analysis

Advanced machine learning algorithms analyze thousands of Canadian funds in real-time.

Smart Recommendations

Personalized fund suggestions based on your risk tolerance and investment goals. All based on timely information

Risk Assessment

Comprehensive risk profiling and portfolio stress testing for peace of mind.

Performance Tracking

Real-time portfolio monitoring with detailed analytics and insights.

Our Goal

Empowering Canadians to build wealth through intelligent, accessible investing.

01

Democratize Investing

Make professional-grade financial analysis accessible to every Canadian investor.

02

Simplify Complexity

Transform overwhelming market data into clear, actionable insights you can trust.

03

Build Financial Futures

Help Canadians achieve their long-term wealth goals with confidence and clarity.

About Us

We're a Canadian fintech team passionate about making smart investing accessible to everyone. Built with Canadian regulations in mind, our AI understands the nuances of TFSA and other registered accounts.
