

Team contract

Project: FinWise

Team: CTRL-ALT-REACT

1. Communication & Response

- Chat: Use Discord for daily talk; Email for formal stuff.
- Response Time: Aim for under 6 hours during the day.

2. Meetings

- When: Weekly on Wednesdays at 9pm via discord.
- Expectations: Show up on time. If you can't make it, text the group at least 4 hours before

3. Files & Version Control

- Storage: Keep everything in GitHub.
- Organization: Use clear labels (e.g., Draft_v1, not Final_Final_NEW).
- Rule: Don't delete someone else's work without asking.

4. Division of Work & Submissions

- The Split: Tasks are assigned based on interest/skill.
- Deadlines: Aim to finish your part 48 hours before the actual due date.
- Final Check: One person submits, but everyone does a quick "sanity check" first.
